

Newly proposed “standard agenda” for regular Kiwanis meetings.

From Membership Committee

Hagerstown Kiwanis Club

In our effort to promote membership growth, the Membership Committee recommends to the Board of Directors to adopt the following agenda format for our regular Thursday meetings, beginning January 8, 2015. We believe that a shorter commitment of time will help attract new members, and possibly retain existing memberships. On the other hand, if we find this new format disruptive (from our current format), we can revert back to the same, or another format.

11:45 AM Buffet is served

12:15 PM Opening / Announcements / Club business

12:30 PM Speaker

1:00 PM Adjournment

Note: The intent is to have dining members and guests arrive between 11:45 until 12:30 without feeling pressure to finish their meal by any particular time.
